

▶ ABEL YRPRO, Altrad & Multiquip Concrete Mixers

Our range of portable and towable concrete mixers, including large capacity portable concrete site mixers, are easy to move and set up. They are ideal for mixing larger batches of concrete and mortar or other materials.

▶ Multiquip Mix-N-Go

The Multiquip Mix N Go is durable, versatile and ideal for the Construction and Hire markets. Built with a polyethylene drum, a sturdy frame and pneumatic tyres to assist with moving the unit around a construction site. The polyethylene drum does not dent or rust therefore will give many years of reliable use. Comes complete with a stand and 240 volt electric motor.

Mixer stand rotates 360°

FEATURES:

- ▶ Replaceable blades bolted to the drum
- ▶ 3/4 HP, 240V single-phase electric engine
- ▶ Job site convenience - uses standard household power
- ▶ Mixer stand allows drum to rotate 360 degrees
- ▶ New on/off switch protection - water-resistant and dust proof
- ▶ Pneumatic tires
